ABOUT COMPANY

AL Majlis plaster & tiles cont AL Majlis marble tr established in 2008, is a distinguished natural stone and marble company in the UAE. Our management has consistently focused on quality and customer satisfaction since inception. Through vertical integration, we control all production stages, including cuttings installation and polishing services sale of finished marble and granite products.

We are equipped with state-of-the-art machinery for a variety of processes, including cutting, molding, engraving, and designing. Our facilities boast advanced water jet cutting machines that handle materials up to 300 cm in length and 200 cm in width.

Our project portfolio showcases numerous successful implementations across the UAE, including landmark structures. We offer high-quality products ranging from tiles and kitchen tops to intricate design patterns.

We are eager to begin a partnership with your esteemed organization, assuring compliance with your quality standards, delivery schedules, and specifications. Our reputation for excellence in marble and granite services is demonstrated through our enduring client relationships. We look forward to providing you with a superior experience that enhances your projects for years to come.

OUR TEAM

OUR SERVICES

Showroom

Our showroom service offers clients a firsthand experience of our extensive range of products and materials. Designed to inspire and inform, our showroom is a space where customer scan explore various options, textures, and finishes that best fit their design needs.

Cutting of Granite Slates, Stones, Mosaics

Our services for supplier and selection of all kinds of marble granite, slates, stones, and mosaics are designed to meet the highest standards of precision and customization. We cater to a variety of architectural and design needs, ensuring that each cut piece perfectly aligns with the specific requirements of your project.

Water jet cutting machine

Our water jet cutting machine service offers a state-of-the-art solution for precision cutting across a broad spectrum of materials. This advanced technique employs a high-pressure jet of water, optionally mixed with an abrasive substance, to cut materials with meticulous accuracy and detail.

Bridge Machine Laser Cutting

Bridge Machine Laser Cutting service leverages cutting-edge technology to provide unparalleled precision and efficiency in cutting a wide array of materials, including metals, plastics, and composites.

Vanity Counters

Vanity Counters service offers tailored solutions for both residential and commercial spaces, specializing in the design, fabrication, and installation of high-quality vanity counters.

Interior & Exterior Works

Interior & Exterior Works service provides comprehensive solutions designed to transform both the inside and outside of your properties. Whether you're renovating an old space or building a new, our comprehensive services are designed to meet all your interior and exterior needs.

Installation with necessary Accessories

We provide a comprehensive, hassle-free solution for setting up and integrating various systems and fixtures within your projects. Whether it's for residential, commercial, or industrial spaces, our service ensures that every installation is completed efficiently and to the highest standards.

Marble Production & Supply

We provide a complete end-to-end solution for sourcing, producing, and delivering high-quality marble for various architectural and design needs. Our comprehensive service ensures you have access to the finest marble available, tailored to meet your specific aesthetic and functional demands.

Shops, Building, Villas

We provide a full spectrum of services that cater to each phase of property development and maintenance, ensuring that every project, whether it involves construction, renovation, or refurbishment, meets the highest standards of quality and functionality.

Artificial Marble

Our Artificial Marble service offers a sophisticated and cost-effective alternative to natural stone for a wide range of applications, from residential countertops to commercial facades.

Natural Granite & Marble, Limestone

We offer exquisite selection of high-quality stone materials, perfect for adding elegance and durability to any space. Each type of stone boasts unique characteristics and benefits, making them ideal for a variety of applications from countertops to flooring, and wall cladding to architectural features.

Quartz marble

We provide a superior selection of engineered stone products, combining the beauty of natural marble with the resilience and durability of quartz. This hybrid material is an ideal choice for those looking to enhance their interiors with the elegance of marble and the practical benefits of quartz.

Our Mission

At AL MAJLIS plaster & tiles cont AL MAJLIS marble, we execute projects to the client's complete satisfaction, enhance the quality and level of expertise with each project, provide alternatives that deliver optimal results for the client, and enable staff to operate in an independent environment to foster systematic growth while adhering to all safety protocols.

Our Vision

We provide a full spectrum of services that cater to each phase of property development and maintenance, ensuring that every project, whether it involves construction, renovation, or refurbishment, meets the highest standards of quality and functionality.
